

Equipment Purchases

Contact the designated Citizen Patrol member of liaison deputy for your vest, jacket, hat and shirt. If grant money is available, uniform items will be purchased for members. However, it's possible we may be out of uniform items. If uniform items are not available, members are asked to purchase their own items from Hammar's Uniforms: 503-667-4911, 27046 SE Stark in Troutdale. Members should show their county photo ID when purchasing items. Only items from the approved list are authorized. At a minimum, members should possess a florescent traffic safety vest.
